.....

Meanwhile

Preps for hoys have been going well, apart from the sad news that Noble Cool Diamond has injured himself and can not compete. This is a real shame however he will be fine and there will be another day for him.

Noble Bestman and Laura Collett are going great guns whizzing through the ranks, jumping double clear after double clear in Intermediates and this weekend they finished sixth in a CIC International two star at South of England. Next stop for them Weston Park Two Star CCI. Best of Luck x

New Boys

Recently we have had some new arrivals, all of which are taking a back seat until after HOYS. These range from Horse Workers, Intermediates SH and WH, WHP's and a stunning three year old Connie thats still entire.

All these and still we have waiting lists for a variety of Topclass horses and Ponies for many jobs. If you have something that has the makings of a top animal in any size please email us details kelly@lyonscompetitionhorses.co.uk and we may be able to match up a few.
