

European Selection, New Sponsors and HOYS Tickets

Zebra Products

We are delighted to announce we have a new and exciting sponsorship deal with both Equipe Saddles and Veredus Boots via Zebra products (www.zebraproducts.co.uk). This stunning equipment is all available from us and will be used by both our workers and Show Jumpers.

European Selection!!

This week Emily has had the honour of being called up to ride for Team GB in the European Children on Horses Team riding Witch.

This is a massive thrill and will be an amazing experience for all. The horses leave for Portugal on Tuesday so its all go getting everything organised and hopefully work in a little holiday whilst we are there.

Our thanks must go to Michael and Melissa for organising this side of things, without their help Im not sure which Country the horses would end up in!!!

Good Luck Team GB.

Shows

June arrived with Emily having a great show at **Weston Lawns** qualifying the brilliant Prospect Eddie for the Foxhunter final at HOYS

. Eddie jumped an incredible treble clear despite his inexperience at this level and took the class in great style. We are all very proud of this boy and he will now have a month off.
