

With the Season already underway lorries out of the yard are heading in all different directions.

Kelly and The Noble Working Hunter Team are also in full swing, taking delivery of a new small lorry and getting ponies out to their first qualifiers. The horses have to wait a little longer -the SHB (GB) qualifiers dont start as early as the BSPS qualifiers, however the horses are being kept busy regulary out show jumping.

Horse Workers this year include "Noble Bestman" (aka SuperSteve), "Barry Bug", Emma Nettletons exciting Light Weight "Winterstorm", and novices "Noble Cool Diamond" and "Noble Credit Crunch".

Ponies include "Ponsbourne Pirate", "Kip Kip Hooray", "Noble Sparkle", Anne Lyons's "Noble Torreen Lass", Alexis Plavsic's "Noble Kashmir", "Noble Pied Piper" and Brian Lears's "Stambrook Pavarotti".

We would like to thank Topspec Feed for the continuous sponsorship of our team.
