

### Great News

The great event pony Noble Springbok has done it again, with his current young rider Grace Walker they have been selected for the European Pony Squad. Fantastic news and we wish them the very best of luck. Spring already has three Team Gold medals to his name and Individual Gold, Silver and Bronze Medals. Not bad for a little fat hairy pony we bought in Ireland as a four year old. Grace also owns Springs full brother, a five year old Noble Skyboy.
