

Good Luck

Good Luck to every one that has qualified for this years Royal International Horse Show (see previous results). It should be a great week at sunny Hickstaed (heres hoping!). Its always one of our favourite shows whatever the results, and offers the best courses of the year.

News at Home!

Just as we are having some yard work done the weather decides to take a dramatic turn, much to the horror of the cement men!! The new rubber flooring on the walker will be delayed for a few more days, painting the stables is limited to indoors and my new stable roof will have to wait a week or so yet! Never mind it will be worth it in the end!

Our lovely young stallion Dieago Forever has been sold abroad to Norway and we wish his new owners the very best of luck. Never ones to sit still for long Nick and Micheal now own another stallion "Pilgrim II", he jumped well in Aachen last week and will be jumping again next week at The Royal International, watch this space!!
